DIRECTIONS: Please read the Learning Contract and choose to accept or decline by March 1, 2013 10:00am

LEARNING CONTRACT: INSTITUTIONAL STRATEGIC PLANNING

This is a master level course. Your selection of this course indicates your willingness to demonstrate high level of commitment.

I) Student's Responsibility:

- To complete tasks by the final due date
- To thoroughly read the required text and other recommended reading material
- To follow the directions
- To do high - quality work

II) Teacher's Responsibilities:

- To assist in providing relevant resources
- To provide timely assistance
- To provide timely feedback

III) Student Learning Outcome:

Student will learn the development of an integrated comprehensive institutional strategic plan. This will involve:

- Learning concept of Strategy and Strategic Planning
- Learning to examine external trends, determine university strengths and weaknesses, determine major components to be included in the plan, and specification of priorities and procedures for evaluating plan outcomes.
- Learning organizational structures and processes for

- developing and maintaining the plan.

IV) Student's TO DO List for the semester:

- Come to class having completed all assigned readings.
- Come to class having completed the written assignment assigned for that week.
- Comment on work of two other classmates every week based on the guidelines provided for class participation.
- Attend class online synchronously for class participation.
- Write a term paper towards the end of the semester describing and analyzing a particular aspect of planning.

V) Workload

- 4-8 hours per week

VI) How students will be evaluated:

Evaluation of your performance will be based upon my professional judgement of the review of your completed work that will total to a 100 points.

- Class Participation - 10 points
- Written Assignments - 50 points
- Final Term Paper - 40 points
